Re: False statements regarding Taha Saleh and Porterville First

Korey,

I am formally asking you to stop publishing or repeating the claim that I run, own, administer, or control the Facebook page Porterville First.

On TahaGate.com, you state:

“He runs it with others as a coordinated plan to influence an election.”

That statement is false. I have told you directly that I do not run Porterville First.

I am attaching documentation from my Meta/Facebook account-data export. Meta titles the report **“Your Pages — Pages you are the admin of.”** It lists the pages I administer as Shop N Save Market and Henderson Avenue Chevron. Porterville First is not listed.

Your own website also acknowledges that the records you rely on **“do not, by themselves, determine who pressed publish or prove the group that controls the page.”** Yet you state as fact that I run the page.

I also understand that you may have submitted an article or other material concerning me to the **Porterville Recorder**. If anything you submitted states as fact that I run, own, administer, or control Porterville First, I am asking you to withdraw it or correct that claim before it is published.

By 8:00 a.m. Wednesday, September 9, 2026, I am asking that you:

1. Remove or retract the claim from TahaGate.com and anywhere else under your control.
2. Stop publishing or repeating as fact that I run, own, administer, or control Porterville First.
3. Withdraw or correct any pending submission to the Porterville Recorder or any other publication containing that claim.
4. Confirm to me in writing that you have done so.

Please preserve all records relating to these allegations, including emails, texts, direct messages, screenshots, source materials, drafts, website records, publication submissions, and communications regarding me, Porterville First, or TahaGate.com.

Nothing in this letter waives any rights or remedies available to me.

A handwritten signature in black ink that reads "Taha Saleh". The script is cursive and fluid, with the first name "Taha" and last name "Saleh" clearly distinguishable.

Taha Saleh
